PROFESSIONAL STATEMENT

A dedicated and enthusiastic person in the field of graphic design along with experience in UI/UX, prototyping & front-end development.

I thrive to be a professional UI/UX Designer solving complex problems into easy, eye-catching & pixel perfect interfaces.

EXPERIENCE

2017 - Present

Nibble Computer Society

Graphic Designer | UI Designer | Front-End

As a designer of the team, I have the responsibility of creating various designs in form of posters, banners, online posts etc. I also created various user interface designs & did a bunch of front-end web projects.

2017 - 2018

TEDx JSSATE

Creative Head (Previously Designer)

As a Designer of the team, I had the responsibility of creating various designs for the branding of the event in year 2017 including online posts, ticket designs, flexes, print designs etc. As a Creative Head in year 2018, I had the responsibility of coming up with ideas to brand the event via various designs like IDs, certificate, banners, posts, stickers, passes etc.. along with a uniformity.

June - Sep
2018

Visit Internet Services

Design Intern

As a Design Intern, I had the responsibility of creating various designs as per the need of the company which included branding of an event, magazines, icons, infographics, mail designs, UI elements, flexes, brochures etc. Also I created various mailers using HTML.
